

The Reformation Party

January 20, 2012

Dear Parnell McCarter and Sean McDonald,

On behalf of the Reformation Party Council of Officers, I would like to thank you for the work you have done in starting up the Reformation Party. There has not been a truly and consistently Reformed political party in North America since the time of the Puritan colonies, and such has been greatly needed. We are very thankful and appreciative that God planted it in your minds to work together to make such a thing happen once again. You have gotten the ball rolling, and allowed others to come on board as well and see what God will do with this effort.

We look forward to continuing to work with you as we move forward. Let us all continue to pray that God will be glorified and that his kingdom will advance in the earth, and let us pray that God will use the Reformation Party to further his purposes.

For Christ and his Kingdom,

Mark Hausam
